Any recent or current directives put in place since October 1, 2009 to prioritize STATE CRIMINAL HISTORY RECORDS CHECKS pertaining to Permits to Carry Pistols or Revolvers.

This request is for PROMPT ACCESS due in part to the current backlog as recently testified to by Steven Spellman to the Connecticut State Legislature in behalf of your department/agency.

The public records and information requested AT THIS TIME, does not currently include the name of the individuals who were the subject of the STATE CRIMINAL HISTORY BACKGROUND CHECKS.

This information is similar to and an expansion of, information previously obtained regarding backlogged requests regarding Temporary Permits to Carry Pistols and Revolvers.

This information is needed to properly inform and discuss the issue with members of the legislature and public regarding the current situation regarding the backlog of STATE CRIMINAL HISTORY BACKGROUND CHECKS many of which have been paid for in advance by those who made the requests.

I am prepared to discuss and explain this request should you or any member of your agency have problems understanding what is requested.

I authorized Attorney Rachel M. Baird to act in my behalf in obtaining the requested information and records.

Respectfully,

Edward A. Peruta
