The "no" referred to your statement that the 1500 feet was in the measure we approved; it has been removed by the committee. Please contact the bill's sponsor, Rep. Diana Urban, for the origin of the original language. Mary Mushinsky

Representative Mushinsky,
I have been in almost daily contact with Representative Urban on this issue and I have requested the origin of the request from her as well. Thank you for the suggestion.

If you get the time, I would be interested in hearing your answers to my questions in my previous email. It would help me to know your opinions about why this bill is a good idea.

Respectfully,
Rich Burgess
