Hi Everyone:

FYI, Stephen Bessette, *former RTC Chair*, blogged about the "High School Look-a-Like Gun Incident" today in Patch. http://stonington.patch.com/blog_posts/lets-hope-a-teachable-moment-hasnt-been-lost

This is one of the most incoherent things I have read in a long time.

Not sure if Ed was amused by how poorly written it was or by the fact that Mr. Bessette appears to have the same complaint that he lodged with us.

He did go out of his way to emphasize *former RTC chair*

Thank you for forwarding this.
