Richard,

Here is the first of many e-mails you requested in your letter dated 5-14-2012. I have just returned from vacation, thank you for your patience.

I will be sending them individually, and will include a note in the last e-mail.

Regards,

Susette Tibus
Stonington Police Commission Chair

Good morning:

I have been asked to testify in Hartford next Thursday for the attached bill that we have been working on with Rep. Urban and Senator Maynard. I will also be representing the opinion of the Connecticut Police Chiefs Association who is backing this bill as well. Below is also a link that Commissioner Moukawsher sent that I also forwarded up to Hartford on a Michigan bill similar to ours-thank you!
