Good morning:

Spoke with Rep. Urban. She is onboard with support of HB5023. I also spoke with Senator Maynard last week. Not as strong support-concern over Union. Rep. Urban also testifying about alcohol bill and changing hours of bars until 2:00 AM on Sundays. I am against this! Rhode Island bars close at midnight on Sundays and we get all the beach goers, etc. With the one hour difference as it stands now, they have a tough time spending any significant time. With a 2 hour difference, they will have enough time to travel-maybe even make it to the casino. In case you get asked about this one-thank you!
