Dear Mr. Peruta:

Thank you for your advocacy. Your letter has been well received by the commissioner of the new Department of Emergency Services and Public Protection as well as many legislators.

We have spoken to Commissioner Bradford who indicates that his department is rectifying the backlog issue. While that may solve the problem in the short term, we must take the necessary steps to assure the protection of every individual's Second Amendment right.

We will continue our conversations with Commissioner Bradford and his agency to determine how we can resolve this problem long term. In the meantime, please don't hesitate to contact either of us at any time.

Sincerely,
