Tony/Matt:

I heard from Carol Hughes this AM. The “toy gun” bill may be going forward next week at some point, so it looks like I may be swinging up to Hartford. I have a call into Chief Lee of the Capitol PD to find out what the procedure would be to bring in some of these items to show how realistic looking they are. Just a quick FYI to keep everyone in the loop. I had great support from Representative Diana Urban and Senator Andy Maynard on this. Hope all is well!
